

Needham & Company, LLC to Host Emerging Technology Conference, May 16-17, 2017

High-Impact Forum for Leaders in the Internet, Digital Media, and Software & Services Verticals

New York, NY, May 15, 2017 -- Needham & Company, LLC will host its Emerging Technology Conference at the Westin New York Grand Central Hotel on May 16 and 17, 2017. The conference will feature approximately 180 companies, including a large number of high-profile public companies and over 90 leading venture-backed companies in the Internet, Digital Media, and Software & Services verticals that Needham & Company believes are most likely to succeed in today's rapidly changing competitive environment, as well as those most likely to redefine the investment landscape.

This multi-track conference is designed to provide the investor community with a high-impact snapshot of trends and new developments as well as access to companies that are defining key investment trends, including Advertising & Marketing Technology, Big Data, Cloud Computing, Digital Media, EdTech, FinTech, HCM, Online Direct to Consumer Brands / e-Commerce, Online Marketplaces, Network Security, SaaS, SoLoMo and Strategic Outsourcing. The conference will feature companies from each sector through presentations, thematic panels and "fireside chats." One-on-one meetings will also be available to qualified investors.

The Needham Emerging Technology Conference is open to clients of Needham & Company, LLC by invitation only. For more information, please call (212) 371-8300 or visit www.needhamco.com.
