

Needham & Company's 20th Annual Growth Conference to Take Place in New York City, January 17-18, 2018

Over 320 Leading Growth Companies Scheduled to Participate

NEW YORK -- January 16, 2018 -- Needham & Company will host its 20th Annual Needham Growth Conference (NGC) at the Lotte New York Palace Hotel on January 17 and 18, 2018. The conference is one of the largest growth company conferences in the country, with more than 320 participating companies and over 2,000 attendees comprised of senior company executives, over 1,250 institutional investors and approximately 200 private equity and venture capital investors. NGC provides attendees the opportunity to start the year by uncovering investment ideas through the discussion of key trends in the rapidly changing growth company environment. The two-day conference features public and private company presentations, Q&A sessions, and 1-on-1 meetings for qualified institutional, private equity and venture capital investors. Additionally, NGC features outstanding keynote speakers and a variety of thematic panel discussions on critical topics that will impact technology markets in 2018 and beyond. The sectors represented by presenting companies include:

- Communications and Enterprise Infrastructure;
- Healthcare;
- Industrial Technology;
- Internet, Entertainment, and Consumer;
- Semiconductors and Semiconductor Equipment; and
- Software and Services.

NGC is open to clients of Needham & Company by invitation only. For more information, please call (212) 371-8300 or visit www.needhamco.com.

About Needham & Company

Needham & Company, a wholly owned subsidiary of The Needham Group, Inc., is a privately held, full-service investment bank that has focused exclusively on growth companies since its founding 33 years ago. It provides its clients with the resources to achieve their financing and strategic objectives. The Firm has capital raising expertise in IPOs, follow-on public equity offerings, confidentially marketed equity offerings, private placements, mergers and acquisitions, and corporate and venture services (including share repurchases). In addition to investment banking, Needham & Company's activities include institutional sales and trading, and asset management. To serve its institutional clients, Needham & Company produces comprehensive equity research on more than 330 companies in communications and enterprise infrastructure; healthcare; industrial technology; Internet, entertainment and consumer; semiconductors and semiconductor equipment; and software and services; and makes a market in over 600 stocks. The Firm is headquartered in New York City with offices in Boston, MA; Chicago, IL; Menlo Park, CA; and San Francisco, CA. Needham & Company is a member of FINRA & SIPC.
