

Needham & Company to Host the 24th Annual Needham Growth Conference, January 10-14, 2022

Over 550 Leading Growth Companies are scheduled to Participate Virtually

NEW YORK -- January 10, 2022 -- Needham & Company will be holding its 24th Annual Needham Growth Conference (“NGC”) on January 10-14, 2022. Needham & Company’s flagship conference is one of the largest events for growth stock investing in the country, with a record number of over 550 presenting companies participating virtually in its 2022 edition. NGC aims to provide investors with insight into the rapidly evolving emerging growth company environment and deliver investable themes to its over 3,500 attendees comprised of senior company executives, institutional investors, and private equity and growth/venture capital investors.

The conference allows investors to begin the year by assessing the economic backdrop and emerging growth company landscape for 2022 and beyond. The five-day conference features private and public company presentations, fireside chats, expert sessions, and one-on-one meetings for qualified institutional investors, private equity firms and growth/venture capital firms. Presenting companies represent multiple sectors, including:

- Cannabis
- Communications & Enterprise Infrastructure
- Cryptoasset/Blockchain
- Healthcare
- Industrial Technology
- Internet, Entertainment, and Consumer
- Security & Networking Technology
- Semiconductors and Semiconductor Equipment
- Software and Services

The 24th Annual Needham Growth Conference is open to clients of Needham & Company by invitation only. For more information, please call (212) 371-8300 or visit www.needhamco.com.
